3410 OPERATION OF PLANT
3411 FLAG DISPLAY

1. The superintendent or building principal shall ensure that the United States flag is prominently and permanently displayed in each academic classroom when classes are in session.
2. The United States and Colorado flags shall be displayed on a flagpole on the administration building or on the administration building grounds at all times during days while school is in session except during inclement weather.
3. Traditional customs and practices of displaying the flags of the United States and of Colorado shall be observed. Flags shall be handled with respect at all times.
4. The superintendent may accept donations toward purchase of flags to be displayed in classrooms.
5. A flag displayed in an academic classroom must measure no less than either twelve by eighteen inches if it is displayed in a frame or two by three feet if it is displayed on a flag staff.
6. The United States flag or any depiction or representation of the flag displayed for public view and permanently attached to any part of school buildings or grounds shall conform with federal laws regarding flag displays and use.
7. District employees and students have the right to reasonably display the flag of the United States, or any other country, on their own person, personal property, and/or property under their temporary control, such as a desk or locker, as long as the display of the flag does not create a disruption of learning or create an unsafe situation for students or employees.
