

A. Number of Members and Term of Office

The Board of Education shall consist of five (5) members, each elected for a term of four (4) years.

B. Vacancies

When a vacancy occurs on a Board of Education, the Board is required by law to appoint a person to fill the vacancy within sixty (60) days. Should the Board not act, the President of the Board makes the appointment.

Whether the appointee serves for the remainder of the unexpired term or until the next election depends on the number of days until the next election and the number of years left in the unexpired term.

1. If the vacancy occurs more than sixty (60) days before the election and the unexpired term is for more than two (2) years, the term of the appointment is until the next election, when a successor for the remainder of the term is elected.
2. If the vacancy occurs within sixty (60) days prior to the election and the unexpired term is for more than two (2) years, the term of appointment is until the next succeeding election, when a successor is elected for the remainder of the term.

Except as provided above, the term of appointment is for the remainder of the unexpired term.
