

The Board reserves the right to review regulations issued by the administration at the Board's discretion, but the Board shall revise or veto such regulations only when, in the Board's judgment, they are inconsistent with policies and regulations adopted by the Board. The Board will be provided with copies of all district-wide regulations issued by the administration.

Regulations will be officially approved by the Board when this is required by state law and when strong community, staff or student attitudes make it advisable for the regulation to have Board approval.
