Every child who has attained the age of seven years and is under the age of seventeen, shall attend Englewood Schools each day during the school year as established by the Board of Education and in accordance with State Law. For every child who has been enrolled and is seven years of age, parents are compelled to take reasonable steps to assure attendance.

The courts may issue orders against the child, child's parent, or both compelling the child to attend school or the parent to take reasonable steps to assure the child's attendance. The order may require the parent, child, or both to follow an appropriate treatment plan that addresses problems affecting the child's school attendance and that ensures an opportunity for the child to obtain a quality education.
