**Discipline of Students with Disabilities**

---

**File: JK-2**

1. Students shall receive due process in accordance with applicable law. Student discipline will be reasonable and appropriate, which may include suspension from school, suspension from extracurricular activities, or expulsion. Unless special provisions are recorded in the student's Individual Educational Program (I.E.P.) or Section 504 Plan, regular discipline procedures are followed for students with disabilities.
  
2. Appropriate discipline for special education students shall be determined by the student's individual education plan (IEP). The Special Education Director shall be contacted prior to the use of any disciplinary measure which is not authorized by the student's IEP as additional procedural considerations are required in accordance with the district's responsibilities under state and federal law.
