

06-07 NCLB District Accountability Data - AYP Elementary Level

District Name: Englewood 1

District Code: 0120

The *No Child Left Behind Act* (NCLB) of 2001, requires the Colorado Department of Education to make a determination of Adequate Yearly Progress (AYP) for every school district in the state. CDE calculates AYP for each district by measuring participation rates, math and reading performance, and graduation rate targets for the elementary, middle and high school levels. Additionally, districts are responsible for all subgroups of students (race/ethnicity, English Language Learners, Economically Disadvantaged students, and students with disabilities) if there are thirty or more students in the subgroup at a specific grade level. The following data shows district AYP results in comparison to state results.
